

MUST READ INFORMATION

IMPORTANT FOR EVERYONE AND RUNNERS

- On the first day, 1.5 km from the Second (New) transfer to the competition center;
- Ferry schedules www.keltas.lt ;
- For those, who traveling by car - parking throughout Smiltynė is **PAYABLE**;
- In Smiltynė, during the summer, the roads and paths in the forest are overgrown with grass, which is why some of them are harder to see at the moment;
- **M/W 12** group tracks are planned along the roads. Crossroads that are harder to see for these groups will be marked before and after;
- The entry of cars into Klaipėda's Old Town during the Sea Festival is **prohibited**. Access is only possible on foot. Plan your time;

- Car traffic will not be stopped in the city of Klaipėda during the competition. Run and MTBO participants will need to cross streets with cars. Although the traffic is not intense, participants must be attentive and cross the streets safely!
- SI-AIR will work at a distance of 30 cm. Both run and MTBO trails.

MTBO PARTICIPANTS

- MTBO can be driven through forest and grass;
- Riding MTBO on the Smiltynė - Nida road is **strictly prohibited**! You can cross this road only in authorized places. Everything is marked accordingly on the map;
- In Smiltynė, the MTBO tracks will also run through the official bike paths. They have intensive bicycle traffic. Be attentive and careful!
